RE: Recent Purchase of the Parkway Sports and Social Club

To all involved with our club at Lakeside Athletic, I send this message out to keep everyone up to date on the ongoing situation at the club with regards to Plymouth Argyle purchasing the Parkway Sports and Social Club.

I would like to thank you all for your patience and continued support, which hasn't gone unnoticed. We have had to let the dust settle from the announcement that was a shock to all, or I feel our emotions would have got the better of us.

The questions are continuously coming in, where are we going to play now? Why have Argyle done this to us? Are we still going to be a club at the end of the season?

I would like to clear these questions up so hopefully it can put everyone at ease for the time being. We as a club will not be folding after this season. Our committee, including some volunteer coaches and friends of the club are working alongside local councillors, Devon FA and Plymouth Argyle to find a new venue to cater for our ever-growing club. Which, as you can imagine, this is not an easy task and will not happen overnight.

Although this is a tough situation for all at Lakeside Athletic. The other side of coin, for the city of Plymouth and Argyle this could be a huge milestone for them to take their club to the next level.

On behalf of our club, please can I ask for the patience and support to continue, when we are updated, we will pass that information on to all.

Kind regards

Lakeside Athletic FC
